

School Based Applications Webpage

Please take a moment to look at the websites below to view the online tools your child could potentially be using during the school year. Please visit any of the websites to see what personal information the site collects. When an email address is needed, we will have your student use his or her District provided email account when using these sites. The school may add online tools to this list during the course of the year. When new online tools are added, parents will be notified in standard school or classroom communications.
